EDUCATION SECRETARIAT

Sanctions the opening of District Board High Schools at Santhebennur and Thyavanige in Chennagiri Taluk from the year 1948-49.

READ—

Correspondence ending with letter No. H-3-662-62 of 1948-49, dated 4th February 1949, from the Director of Public Instruction in Mysore, regarding the opening of District Board High Schools at Santhebennur and Thyavanige in Chennagiri Taluk.

ORDER No. 13539-42—EDN. 44-48-90, DATED BANGALORE,
THE 6TH JUNE 1949.

The Director of Public Instruction reports that there is urgent need for opening of High Schools at Santhebennur and

Thyavanige, Chennagiri Taluk and that the President, District Board, Shimoga, has also requested that sanction may be accorded for the opening of District Board High Schools at these two places.

It is reported that the District Board, Shimoga, have resolved in respect of each of these two Schools to deposit a sum of Rs. 30,000 each towards the construction of the school buildings and a sum of Rs. 3,000 each towards the non-recurring charges for the initial equipment and also to meet their share of the recurring and non-recurring expenditure from time to time. They are also agreeable to provide suitable sites at their own cost for the construction of school buildings and playgrounds and also to meet their share of the cost towards the training of the teachers and on account of the revision of the scales of pay of the staff. Temporary accommodation is proposed to be provided for the schools till new buildings are constructed.

In the circumstances, the Director of Public Instruction requests that sanction may be accorded to the opening of the two District Board High Schools—one at Santhebennur and the other at Thyavanige—with the First Year Class from the current year 1948-49, the Second and Third year Classes being started during 1949-50 and 1950-51, respectively, on the condition that the District Board should not request Government at any time in future for the conversion of these schools into Government ones.

Sanction is accorded to the proposal of the Director of Public Instruction. The Government share of the cost during the current year will be met out of the lumpsum provision of Rs. 50,000 made in the current year's budget for payment of grants to New High Schools to be opened and the necessary provision will be made in the budgets of the next and subsequent years. Statements showing the details regarding the recurring and non-recurring expenditure and the Government grants admissible in respect of the two High Schools are appended hereto.
